* A buyer who is buying or has already bought any of the four products is qualified to buy unlimited number of additional copies of the same product under the same company name now or later.

** The initial charge covers the first year. A **\$79.00** annual fee is required for each copy in each of the following years. We will keep making improvements, adding new features, and making changes to meet the standards and the computer systems. Customers will always get the current version for free.
